I. OVERVIEW

The Government of the District of Columbia (“District”), through the Department of Real Estate Services (“DRES”), invites interested parties who are “eligible applicants” (defined below) to respond to this Request for Offers (“RFO”) with offers (“Offers”) for the reuse of the following District of Columbia Public School (“DCPS”) assets (“Reuse Site”):

- **Evans Junior High School** - 5600 East Capitol Street, NE
- **McGogney Elementary School** - 3400 Wheeler Road, SE

II. DISTRICT GOALS FOR THIS SOLICITATION

The District’s goal, in issuing this solicitation, is to obtain offers for reuse of the Reuse Sites from Eligible Applicants. Responses to this RFO will be used to inform District decision-making regarding the most appropriate and viable use for these Reuse Sites.

In this solicitation, the District seeks Offers that propose to maximize the following District goals:

- Provide space that could be leased or owned by public charter schools;
- Promote revitalization of District neighborhoods;
- Where non-school functions are included, create ancillary uses that are compatible with the primary use of operating a public charter school;
- Optimize the unique amenities within each site (e.g., gymnasiums, auditoriums, cafeterias, playing fields and multipurpose space); and
- Where construction is proposed, promote sustainable development practices that adhere to all District Green standards.

As such, as detailed in Section III below, the District seeks Offers from Eligible Applicants (responding Eligible Applicants being referred to as “**Respondents**”).

The District will evaluate Offers and will select each Offer determined, in the District’s sole discretion, to be in the best interest of the District for negotiation of a lease agreement for the Reuse Site.

III. DESCRIPTION OF PROPOSED USE SITES

District of Columbia Public Schools (“DCPS”) has identified the following schools as appropriate for reuse and/or redevelopment into non-governmental uses in connection with this RFO:

- **Evans Junior High School** which is located at 5600 East Capitol Street, NE and will be available for the 2011/2012 school year.
- **McGogney Elementary School** which is located at 3400 Wheeler Road, SE and will be available for the 2010/2011 school year.

Floor plans for each Reuse Site are included as Appendices to this RFO.

Reuse Site	Building square footage	Site square footage	Site acreage
Evans	125,800	363,726	8.35
McGogney	67,600	181,210	4.16

Nothing contained herein shall be deemed a representation, warranty or guaranty by the District as to the condition of any of the Reuse Sites. It is the Respondent's sole responsibility to confirm all site characteristics, zoning requirements, laws, and regulations prior to submission.

IV. REGULATORY FRAMEWORK

In preparing a response to this RFO, Respondents should consider all existing land uses, physical conditions, regulatory requirements, and any community preferences. Offers should also examine various dispositions including ownership and leasehold. Offers need not conform to existing zoning; provided, however, if a zoning change is necessary, the Offer should describe, in detail, the Respondent's proposed approach to obtain such zoning change(s) and the estimated timeframe thereof.

Eligible Applicants Right of First Offer

Pursuant to D.C. Official Code § 38-1802.09 (2007 Supp.)(the "Act"), right of first offers must be offered to the following described entities (referred to in this RFO as an "**Eligible Applicant**"). An Eligible Applicant is an approved public charter school or a public charter school whose petition to establish a public charter school has been conditionally approved, under D.C. Code § 38-1802.03 (d)(2)(2007 Supp), as of the date Offers are due in response to this RFO. An Eligible Applicant is also an existing tenant that is either (a) a public charter school that has occupied all, or substantially all, of the facility or property or (b) an organization providing educational or youth services under contract with the District government that has been a tenant of the facility or property and has occupied all, or substantially all, of the facility or property since on or before December 1, 2004 and is good standing on its existing lease agreement.

An Eligible Applicant has a right of first offer under the Act. In order to exercise the right of first offer under the Act, a Respondent must be an Eligible Applicant as of the

date submissions are due under this RFO. An Offer submitted by an Eligible Applicant is its offer to the District pursuant to said right of first offer.

Compliance with Applicable Laws and Related Costs

If selected, Respondent would be required to plan, construct and operate the project described in its Offer in accordance with all applicable federal and District of Columbia laws, rules and regulations, and would be required to obtain all necessary permits, approvals, and licenses at the appropriate time. Respondent should submit with its Offer a description of all permits, approvals, and licenses expected to be required in connection with its Offer and proposed plans and schedules for obtaining the same. Respondent should indicate in its response its experience and familiarity with such laws and permits at other significant urban reuse projects. All costs associated with complying with applicable laws, rules and regulations, and obtaining all necessary permits, approvals, and licenses shall be borne by Respondent.

Certified Business Enterprises and First Source Hiring Requirements

If an Offer includes construction, the Offer shall comply with the requirements of the District's "Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005" (D.C. Official Code §§ 2-218.01 et seq.) ("CBE Program"), and the District's First Source Program. The District's CBE Program governs contracting and procurement with, and equity and development participation by, certified local, small and disadvantaged businesses. The District's First Source Program requires that 51% of the new jobs created by a redevelopment project be filled by District residents.

Historic Reviews

To the extent that a Reuse Site is a historic resource, it may be subject to review under Section 106 of the National Historic Preservation Act, 16 U.S.C. 470 *et seq.*, the "Historic Landmark and Historic District Protection Act of 1978," D.C. Law 2-144, regulations promulgated hereunder and any other applicable historic or preservation law or regulation, in each case as amended. As such, Respondent's reuse may be subject to review by the DC Historic Preservation Review Board, with regard to designation as a DC Historic Landmark or location within a Historic District, or by the federal Advisory Council on Historic Preservation. It is Respondent's sole responsibility to ensure that the proposed project adheres to applicable historic regulations.

Local Project Review and Local Zoning

A Respondent will be expected to meet District land use, environmental, planning, zoning, and other regulatory requirements. Please refer to Title 11 of the District of Columbia Municipal Regulations ("DCMR") for a complete list of zoning provisions and requirements. Any Offer must comply with the goals and priorities outlined in the District's Comprehensive Plan, which can be viewed online at: www.planning.dc.gov.

Green Building Act

Adherence to the District of Columbia's Green Building Act of 2006 D.C. Official Code 6-1451.01 *et seq.* (2007) is required. An Offer shall meet all requirements of the aforementioned Act for District-owned properties as well as any LEED certification requirements for the construction, rehabilitation and/or renovation of District-owned properties.

V. SUBMISSION REQUIREMENTS

This RFO is open to any and all Eligible Applicants.

Respondents can submit Offers regarding more than one Reuse Site. However, Respondents should submit a separate Offer for each Reuse Site. Each Offer will be evaluated separately.

The District strongly urges that an Offer not exceed 25 pages (excluding appendices).

Respondents shall provide five (5) hard copies and one (1) CD ROM of the written Offer in 12 point font size on 8.5" by 11" paper. Each Offer shall be hand-delivered to the location set forth in Section VI.A of this RFO. Electronic and facsimile Offers will not be accepted.
